MUSIC & ART COMBO PARTY!

Great for
**Girl Scouts &
School Enrichment!**

Art: Mozart to Monet

Ages 5-9 yrs
Length: 1hr 30 min

Mozart to Monet class combines both **Music & Art together**.

In this class we touch both on art and the musical movements of the time. Our Piano player/ Musician will play the music of a specific time period. We encourage children to place themselves in the shoes of these great artists and pretend they are standing on a balcony painting "**Starry Night**" right alongside **Vincent Van Gogh**, while listening to French musician **Claude Debussy** or **Ravel!** At Mozart to Monet, we want to fully immerse your children in all the Arts have to offer. You can choose an artist to focus on, and explore their world. This will include looking at their work, listening to the LIVE music of the time and creating a work of art inspired by the artist. We will explore artists such as (choose one) **Claude Monet, Walt Disney, Jackson Pollock, Keith Haring, Charles Shultz** or **Vincent Van Gogh**, and get to know them a little better ...it's really quite inspiring!
